

# The Beams in Their Eyes

*(And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye? KJV, Matthew 7:3)*

by Earl P. Holt III

For a week, the Jews' Media, race-hustlers and other communists have obsessed over the wrongful death of George Floyd. Floyd was a repeat felon convicted of an armed robbery in 2007, who was engaged in passing a counterfeit \$20 bill when arrested by police, in whose custody he was inexcusably murdered in Minneapolis.

**Meanwhile, their selective indignation has allowed them to studiously ignore routine incidents of black murders of INNOCENT whites, none of which seem to have fit their preferred narrative.**

The Jews' Media's standard narrative is one in which innocent black victims are constantly under assault by violent white assailants. Sadly, interracial violent crime only serves their purposes when the victim is black and the perpetrator is white.

To advance their phony narrative, any white-on-black violent crime committed in the U.S. instantly becomes the “*lead*” story for days on end and sometimes weeks: Meanwhile, black-on-white violent crimes are routinely “*spiked*” by the Jews' Media, and receive only local coverage.

Below is a small sampling of several recent incidents of black-on-white murders that the Jews' Media intentionally ignored, in contrast to the endless coverage given the murder of George Floyd, a repeat felon who died in police custody with Fentanyl in his blood.

**Elderly Couple:** An elderly white couple in their 80s were hunted down and assassinated by a 29 year-old negro with a scoped rifle in May of 2020. Their murderer was a rat-ape named Sheldon Francis, and the incident occurred in Connecticut. The elderly couple were from Maryland and were innocently visiting a veteran's cemetery at the time of their murder.

**Leslie Baker** was a lovely, 59 year-old white woman who was shot and killed by a black ape in Houston in late May of 2020, while sitting in her own car and in her own driveway in the fashionable *River Oaks* section. She was murdered by a 16 year-old sub-human black bastard in the course of a carjacking that was a prelude to a further crime spree. Mrs. Baker is survived by her husband and two children.

**Joseph Bullock** was a 42 year-old white man and 19-year veteran of the ***Florida Highway Patrol*** who was murdered by a negro motorist in Palm City, Florida in February of 2020. Officer Bullock was trying to assist this cretin with his disabled vehicle on I-95 when the witless black ape shot and killed him. The moron was apparently incensed at having his car involuntarily towed from the "*shoulder*" of I-95.

**Kevin Humes** was a 35 year-old white male who made the mistake of walking home in Atlanta after an evening spent with friends in mid-May of 2020. He was murdered by a 15 year-old savage black ape who shot him to death in what may have been a robbery attempt. A witness told police an occupant of the vehicle yelled "*Get him*" before firing the fatal shot.

**Rosalie Cook** was a white, 80 year-old Houston widow who was murdered in May of 2020 by a 38 year-old black career criminal. The black bastard was out on bond when he stabbed her to death in the course of an attempt to steal her purse and vehicle.

Fortunately, a police officer quickly responded to the scene and killed the sub-human rat-ape with two shots as he emerged from the victim's car and attempted to stab the officer, as well. This psychotic nig had previously been arrested 67 times.

**Katie Thyne** was a 24 year-old white, female police officer in Newport News, Virginia who was questioning a nigro driver about his possible drug possession in January of 2020 when he attempted to flee in his vehicle, crushing her to death when the car crashed. She leaves behind her fiancé and a two year-old daughter. Of course, the nig was out on bond from an earlier felony.

**Kristopher Dacus** was a 33 year-old white man who was an employee of a cemetery in North Little Rock, Arkansas. In February of 2020, he insisted that four black male trespassers leave the cemetery. One of the four, a teenager, refused to comply and after a brief scuffle, pulled out a gun and shot the victim multiple times.

**Melissa Hamilton** was a 50 year-old white woman who worked as an addiction counselor in Nashville, Tennessee who was murdered by a black bastard in December of 2019. Her apish murderer stabbed her 73 times and raped her, as well. She is survived by her husband.

**The simple truth is that blacks are practically synonymous with violent crime in the U.S. and murder in particular. It is a glaringly dishonest strategy of the left to feign outrage over the very rare cases of blacks murdered by white cops, while STUDIOUSLY turning a blind eye to the tens of thousands of murders committed by black bastards each year in the U.S., many of whose victims are innocent whites.**
