

Biden's Tangled Web

by Earl P. Holt III

("Oh, what a tangled web we weave...when first we practice to deceive.")

Despite his endless lies and denials, Joe Biden was heavily involved in Hunter Biden's tawdry efforts to peddle influence around the globe: It was his father's *influence* as Vice President that Hunter Biden and his many business partners were actually selling to China, the Ukraine, Russia and Kazakhstan. For this, Joe Biden got 50% of all the bribes and shakedown monies received by Hunter.

Hunter Biden confessed in an e-mail to his daughter, Naomi that he was obliged to give "Pop" half of all his ill-gotten gains from selling access to his father as Vice President. This was exposed in the first e-mails published by the **NEW YORK POST**, that were discovered in the laptop computer Hunter Biden negligently left at a Delaware computer repair shop and thereby forfeited.

His computer is now in the hands of the FBI and the **NEW YORK POST**. Here are excerpts of the e-mail from Hunter Biden to his daughter Naomi: *"I hope you all can do what I did and pay for everything for this entire family for 30 years. It's really hard, but don't worry, unlike Pop I won't make you give me half your salary."*

One of Hunter Biden's partners, Tony Bobulinsky, verified the legitimacy of the e-mails in Hunter Biden's laptop at his October 22nd press conference. He was included as a recipient of the notorious e-mail from Hunter Biden to his business partners at **Sinohawk Holdings**, the one describing how their three-year, \$10 Million per-year bribe from communist China was to be divided among them. As CEO of **Sinohawk Holdings**, Bobulinsky has publicly verified its legitimacy and accuracy.

That e-mail designated 10% of each yearly \$10 Million Chinese bribe payment would go to Hunter, 10% to the "*Big Guy*" (meaning Joe Biden,) and 10% to James Biden, Joe's brother-in-crime. The others were to receive 20%. Here's the breakdown:

20% to "**H**" (Hunter Biden)

20% to "**RW**" (Robert Walker)

20% to "**JG**" (James Gilliar)

20% to "**T**" (Tony Bobulinsky)

10% to "**Jim**" (James Biden)

10% to "**the Big Guy**" (Joe Biden)

Tony Bobulinsky confirmed that Joe Biden was to receive 10% of all proceeds from the Chinese bribe money, but Joe Biden's "cut" was to be held by Hunter Biden. This arrangement was to preserve the veneer of legality. It proves that Joe Biden was heavily involved -- as Bobulinsky indicates -- and it also verifies the legitimacy of Hunter Biden's e-mail to his daughter Naomi, in which he divulges that he is required to split all of his illegal shake-down money and bribes with his father, Joe Biden.

Unfortunately, Hunter Biden's laptop has been in the hands of the FBI for almost a year, but FBI Director Chris Wray has proved himself to be as corrupt as his predecessor, Jim Comey. If it were otherwise, Hunter Biden, Jim Biden and Joe Biden would all be wearing prison stripes.

If you are unaware of such evidence and facts, it is because you are reliant upon the most dishonest news media organs since **TASS** and **PRAVDA**. The Jews' Media and the cesspool known as "*social media*" have worked overtime to censor the **NEW YORK POST's** revelations in order to carry Joe Biden across the "goal-line" on November 3rd with their deceptions and censorship.
