

We've GOTTA Be Smarter !

by Earl P. Holt III

It's been said that **"a lie is halfway around the world before the truth can get its boots on."** This aphorism applies to the breach of the *Capitol Building* on January 6th, an event falsely attributed to Trump supporters by liars and communists in the Jews' Media and equally shameless liars in the *New Communist Party*, often mistakenly referred to as the "*Democrat*" Party.

Evidence is beginning to surface that it was actually nigs from ***Black Liars Murder*** (BLM,) and fascists from ***Antifa*** who hijacked a legal and peaceful demonstration by Trump supporters, and then led an assault on the *Capitol Building* to discredit Trump supporters. Sadly, some naive Trump supporters mistakenly followed their lead and engaged in criminal acts that derailed any prayer of challenging a stolen Presidential Election, which was exactly the outcome they intended. Here's what the ***NEW YORK POST*** reported *on-line* the following day:

"At least two known Antifa members were spotted among the throngs of pro-Trump protesters at the Capitol on Wednesday, a law enforcement source told The Post.

The Antifa members disguised themselves with pro-Trump clothing to join in the DC rioting, said the sources, who spotted the infiltrators while monitoring video coverage from the Capitol.

The infiltrators were recognized due to their participation in New York City demonstrations, and were believed to have joined in the rioting so that Trump would get blamed, the source said."

You would think that after the debacle in Charlottesville in 2018, well-meaning Trump supporters would be too sophisticated to follow *agent provocateurs* of the left, especially those dressed like ***Antifa*** or nigs engaged in their instinctive acts of violence. Sadly, some Trump supporters foolishly and blindly handed the Jews' Media the greatest

PR victory it's ever been given, allowing them to attack Donald Trump, Trump supporters, the conservative movement, and the white nationalist movement.

In the future, law-abiding conservatives, white nationalists and Trump supporters need to ask themselves if the activity they are being encouraged to engage in is ONE THEY WOULD DENOUNCE THE LEFT FOR DOING. If we observe this principle, we should be able to exercise our *First Amendment Rights*, and never again hand over such a PR windfall to the enemies of freedom and the Constitution.

Some of the communists and nigs who misled Trump supporters into destruction and violence have been identified. One is a nig named John Earle Sullivan from Utah, who is a self-admitted member of both ***Antifa*** and ***Black Liars Murder***. He is a real communist and domestic terrorist, although being a nigra, he is far too ignorant and stupid to distinguish Karl Marx from "*Groucho*" Marx.

Here's another witless fascist in his brown shirt attire, who participated in the siege of the Capitol Building on January 6th. His name is Daniel Alan Baker, and he has been arrested for plotting to murder Trump supporters in Florida. He also claims to have received a great deal of

money from George Soros, which he offered to fellow communists and fascists who were able to identify those who exposed his terrorist schemes, presumably for purposes of assassination.

We've got to be smarter. We can't continue to allow communists and nigs to hijack peaceful demonstrations, and create PR windfalls for the Jews' Media and other enemies of freedom and the Constitution. That's a formula that can't possibly work.
