

## **Black Crime Roundup, September of 2020**

**Elderly Couple:** An elderly white couple in their 80s were hunted down and assassinated by a 29 year-old negro with a scoped rifle in May of 2020. Their murderer was named Sheldon Francis, and the incident occurred in Delaware. The elderly couple was from Maryland and were innocently visiting their son's grave at a veteran's cemetery at the time of their murder.

**Joseph Bullock** was a 42 year-old white man and 19-year veteran of the Florida Highway Patrol who was murdered by a negro motorist in Palm City, Florida in February of 2020. Officer Bullock was trying to assist this cretin with his disabled vehicle on I-95 when the witless black ape shot and killed him. The moron was apparently incensed at having his car towed involuntarily from the "shoulder" of I-95.

**Rosalie Cook:** Was a white, 80 year-old Houston widow who was murdered in May of 2020 by a 38 year-old black career criminal, who was out on bond when he stabbed her to death in the course of an attempt to steal her purse and vehicle.

Fortunately, a police officer quickly responded to the scene and killed the black bastard with two shots as he emerged from the victim's car with his knife and attempted to stab the officer, as well. This psychotic ape had been previously arrested 67 times.

**Katie Thyne** was a 24 year-old white, female police officer in Newport News, Virginia who was questioning a negro driver about his possible drug possession in January of 2020 when he attempted to flee in his vehicle, crushing her to death when the car crashed. She leaves behind her fiancé and a two year-old daughter. Of course, the negro was out on bond from an earlier felony.

**Kristopher Dacus** was a 33 year-old white man who was an employee of a cemetery in North Little Rock, Arkansas. In February of 2020, he insisted that four black male trespassers leave the cemetery. One of the four, a teen-ager, refused to comply and after a brief scuffle, pulled out a gun and shot the victim multiple times.

**Melissa Hamilton** was a 50 year-old white woman who worked as an addiction counselor in Nashville, Tennessee, who was murdered by a black bastard in December of 2019. Her nigro murderer stabbed her 73 times and raped her, as well. She is survived by her husband.

The simple truth is that blacks are practically synonymous with violent crime, and murder in particular. It is a glaringly dishonest strategy of the left to feign outrage over the very rare cases of blacks murdered by white cops, while conveniently turning a blind eye to the tens of thousands of murders committed by blacks each year in the U.S.
