

Bath-House Politics

While commie Jews, n*ggers, queers, and other "Democrats" have been busy tearing down memorials to our greatest heroes -- such as Washington, Lee, Franklin, Jefferson and Columbus -- these traitors and scum have been replacing them with memorials to their own heroes. In Nashville, they recently named a street after a queer "*drag queen*" who died of A.I.D.S.

"***Bianca Paige Way***" in Nashville is reportedly the first street in America to be named after a "*female impersonator*," and aren't they proud? The city held its dedication ceremony several weeks ago, after approval by Nashville's *Metro Council*.

This circus freak's true name was Mark Middleton, and he was born a male before he became a queer performer and female impersonator. His stage name was "***Bianca Paige, the Pantomime Rage.***"

Circus Freak, Bianca Paige

Fortunately, we won't be subjected to "*her*" act any longer because "*she*" died of AIDS in 2010 by engaging in exactly the kinds of behaviors the Bible warned "*her*" about when describing Lot's flight from Sodom and Gomorrah.

The smart thing for Nashville's residents to do is retire Nashville Mayor John Cooper (D-Gomorrah,) who gushed over naming a street after a pervert and circus freak. Then, Nashville voters should retire every member of the city's *Metro Council* who voted for this abomination.

Finally, change the name of the street back to whatever it was before. Better yet, change it to ***Nathan Bedford Forrest Street*** or ***Donald J. Trump Street***.

Any expenses could be taken from AIDS education funding or whatever other scams exist in Nashville that are used to transfer money to queers so they can *nancy* about Nashville's bath houses and have anonymous sex with other perverts and sodomites every night.
