

September, 2021 BCR

by Earl P. Holt III

William Evans: This 41 year-old white man and father of two was an 18-year veteran of the *DC Capitol Police* force who became the murder victim of a savage n*gger and member of the *Nation of Islam* in April of 2021. The rat-n*gger crashed his vehicle through a barricade surrounding the Capitol Building and immediately exited it to stab Officer Evans and another officer. **Not surprisingly, the Jews' Media are disinterested in the details of this news story because they can't figure out a way to misidentify the murderer as a "white supremacist."**

Trooper Chad Walker: This 38 year-old white *Texas State Trooper* was shot to death by a stranded motorist he tried to assist south of Dallas in March of 2021. Trooper Walker leaves behind a wife and four children. The witless n*gger gunman was identified as DeArthur Pinson, Jr., who committed suicide within hours of the murder, probably the first useful thing this jungle ape ever did in his life.

Rat-Nigger & victim

Like most n*ggers, the murderer was a career criminal who was sentenced to 10 years on an aggravated robbery conviction in 2007. Less than 10 years later, he was arrested on a charge of criminal trespass. He

had earlier been arrested in 2003 for desertion from the U.S. Army. This rat-n*gger was clearly in possession of drugs or illegal weapons because after murdering Trooper Walker, he grabbed a backpack from his disabled vehicle and fled on foot.

Corporal Kyle Davis: This 39 year-old Washington County, Oklahoma Deputy Sheriff died as a result of injuries sustained in an altercation with a n*gger inmate in Bartlesville, OK in March of 2021. When the black savage became unruly, Deputy Davis tried to intervene, leading to an altercation in which Davis was fatally injured. Arrested is Athine Jamuan Henderson, a rat-ape it is hoped will never see the light of day again.

Cpl. Keith Heacock: This 54 year-old white man was a 22 year veteran of the *Delmar, Delaware Police Department*. He incurred fatal head injuries after being stomped to death by a rabid ape in May of 2021 while answering emergency calls involving the usual n*gger mayhem at a housing complex in Delmar.

His murderer was a 30 year-old savage baboon with a long arrest record who had just attacked two elderly residents of the complex and was in the act of destroying their property. The rat-monkey faces charges of murder, assault, burglary, terroristic threatening and possession of a deadly weapon while committing a felony.

Merrill Rabus: This 54 year-old white man was run over and then shot to death by a rabid n*gger whore in Wichita, Kansas in March of 2021. Police arrested a black gorilla named Charity Blackmon, who shot the victim to death after she ran over him while he was riding his bicycle. The two were strangers and like all jungle-ape perpetrators, she fled the scene after murdering the victim. The rat-niggress is charged with first degree murder and being a felon in possession of a firearm.

Mary Ann Elvington: This 80 year-old white woman was kidnapped and murdered by a n*gger with an extensive criminal record in March of 2021 in Horry County, South Carolina. A 29 year-old rat-n*gger sociopath named Dominique Davonah Brand has been charged. The victim's remains were not discovered until late March of 2021.

This Christian Lady was beloved of her children, grandchildren and her entire community. **My advice to South Carolina is that it turn this n*gger over to the victim's family and give them a 48 hour deadline and a claw-hammer to do anything to this sub-human rat-savage they desire. Anything! ("Get Medieval" on him!)**

Rat-Nigger

Johnson Street: This 61 year-old white grandmother was punched in the face and killed by a n*gger on the streets of New Orleans in April of 2021. She made the mistake of arguing with a 23 year-old savage jungle-ape, who struck her in the head, causing traumatic brain injuries. The black bastard was charged only with manslaughter rather than murder.

Rhonda Pattelena: This 35 year-old white woman was murdered in March of 2021 by the n*gger father of their two- year-old child in York, Maine. Jefferey J. Buchannan -- one of maybe three niggers in the entire

state at the time -- beat the victim, struck her in the head with a rock, and then dragged her behind some large rocks to hide his misdeeds.

Fortunately, there were many eye-witnesses and video footage of the attack, since this retarded, *trousered* ape murdered his "*baby-momma*" in front of many people at a popular Maine beach. **Thank GOD they are just as stupid as they are incredibly violent.**

Dr. & Mrs. Robert Lesslie: This 70 year-old white physician, his 69 year-old wife, two young grandchildren and two Heating & Cooling contractors were shot to death in April of 2021 by a savage n*gger in Rock Hill, South Carolina. The murderer was a former NFL player who -- it is speculated -- may have had his drug prescription discontinued or denied by Dr. Lesslie, a physician.

This massacre illustrates the savagery that accompanies the reaction of narcissistic and sociopathic niggers when they don't get their way. The only redeeming aspect to the entire tragedy is that the n*gger shot himself to death with the same weapon he used to murder Dr. Lesslie, his wife, two grandchildren and the two unfortunate HVAC contractors who were working on the Lesslie home at the time of the mass-slaying.

Toni Abad: This 58 year-old white woman was a mother of four and grandmother of five, who was beaten to death by a sub-human rat-n*gger with a baseball bat four days before Christmas in 2017. Possibly imbued with the Christmas spirit, Mrs. Abad mistakenly consented to give a ride to a nigress whom she met upon leaving her place of work.

Her good deed was her undoing: The female rat-n*gger passenger lured her to an isolated area near Atlanta where her jungle-ape boyfriend was hiding. **He leaped from some bushes -- like his ancestors have done for millions of years -- and fatally beat Mrs. Abad to death with a baseball bat, and then dumped her body in the trunk of her abandoned car.**

Savage Nigger Murderers of "Good Samaritan"

Nathan Trapuzzano: This 24 year-old white male was a recently married software engineer who was shot to death by a black baboon robber in the early morning hours of April of 2014 in Indianapolis. The victim had innocently gone for a morning walk.

The n*gger murderer is only 16, but already had 29 violent crimes to his credit. His first name is "Simeon," probably because his apish mother didn't know how to spell "simian," a name that would have been far more appropriate. **Like many black psychopaths, he laughed and grinned at the attention he was receiving on his way to trial.**

Simian & Innocent Victim

Matthew Wiser: This 39 year-old white man was an Economics Professor at the *University of South Alabama*, who was murdered by three sub-human rat-n*ggers who killed him in the course of burglarizing his home in November of 2019.

After murdering the victim, they stole a *Nintendo "switch"* from him. Eventually, one of the three used it to log onto the web, thus enabling police to track down all three killers. **Thank God they are retarded.**

Cash Gernon: This four year-old white boy was abducted from his bed in Dallas in May of 2021 by an 18 year-old, sub-human jungle-ape and example of the species *Homo habilis*. The rat-n*gger stabbed the boy to death and then dumped the child's body in another neighborhood.

This was a REAL HATE CRIME: And, make no mistake about it, THIS IS WHY THERE WAS A KLAN, despite the lies of communist Jews and queers and n*ggers.

Jungle Ape & Innocent Victim
