

HELP WANTED !

After 27 issues of the *CITIZENS INFORMER* and six years of loyal service, our Graphics Editor -- *The Mad Prussian* -- wishes to retire. **Beginning January 1st, 2022, we will need a new Graphics Editor.**

We require someone with a demonstrated track record in the conservative movement, preferably a CofCC Member. They will be free to maintain their anonymity, as *The Mad Prussian* has done.

I prefer someone with experience, who is skilled with Mac-compatible desktop publishing software. Any CofCC Graphics Editor is encouraged to be creative.

We pay \$400 per issue, but there is flexibility there. We usually publish four issues per year, but we published five issues in 2020 and six this year.

Contact me through our Potosi, Missouri P.O. Box (below,) or use the e-mail address I use to send each issue to subscribers.
