

Sowing Chaos

by Earl P. Holt III

Everything done by the *New Communist Party of the USA* -- wrongly called the "*Democrat*" Party -- is designed to intentionally generate chaos and political instability. Their disasters represent far more than mere incompetence: the confusion they sow is designed to precipitate an "*American Bolshevik Revolution*," and thereby vindicate the theories of Karl Marx found in *Das Kapital*.

The Bolsheviks were a small party in pre-Soviet Russia, but the chaos and confusion that followed World War One and the Russian Revolution allowed them to exploit the resulting turmoil and seize power. That's the template the NCPUSA is hoping to recreate here in America in order to generate a "Second" Bolshevik Revolution. They intend to achieve this end through policies that are intentionally disruptive and subversive, which they plan to exploit.

The **catastrophe on our southern border** is a perfect example. The NCPUSA immediately abandoned President Trump's highly effective "*Remain in Mexico*" policy and, instead, has welcomed more than two million illegal aliens at a cost of \$420 Billion since January 1st of 2021. Few if any received COVID-19 vaccinations before arriving, and the NCPUSA has hurriedly dispersed them throughout the country where they cannot be found. In fact, it has overtly invited the dregs of the Third World to come here and get free health care and generous "*resettlement*" monies.

The **Black Lives Matter (BLM) and Antifa riots** in 2020 and 2021 -- that followed the death of George Floyd -- were also designed to generate chaos. They were made to appear "*spontaneous*," but were carefully pre-planned to occur in large, **BLUE** cities controlled by the NCPUSA. There,

political authorities could order the police to "*stand down*," even as rioters engaged in arson and aggravated assaults against innocent civilians and law enforcement. It was also predetermined that rioters would have immunity from arrest or prosecution, so there would be no legal consequences for their violent and criminal acts.

Even after rioting ceased in most of these cities, the NCPUSA's war against law enforcement was continued in other ways, including **slashes to municipal police department budgets**, despite skyrocketing violent crime rates. This phenomenon has occurred to varying degrees in more than a dozen major U.S. cities -- all tightly controlled by the NCPUSA -- including St. Louis, Portland, Seattle, Minneapolis, New York, Chicago, Atlanta, Los Angeles, Baltimore, Philadelphia and Washington. One immediate consequence has been that their metropolitan police departments have experienced dramatic numbers of resignations and retirements. Many of these same **BLUE** cities have added fuel to the fire by eliminating cash bail for felony suspects.

A similar tactic designed to create chaos is being carried out within the U.S. Military. The NCPUSA is aggressively promoting **quotas for queers, blacks, women, feminists and trans-gendered circus freaks in combat units**. Their rapid promotion is an attempt to weaken our national security and undermine the *esprit de corps* and morale of our armed forces, especially our combat forces. The *Interloper-in-Chief* recently made a **FOUR STAR ADMIRAL** out of a transgendered circus freak! Much like its attitude toward law enforcement, the NCPUSA recognizes that our armed forces are an obstacle to their goal of an American Bolshevik Revolution, so they must be subverted, something the NCPUSA is adept at doing.

Complementing its efforts to subvert our southern border, law enforcement, and our armed forces, the NCPUSA is also busily **savaging the U.S. economy**. On top of an earlier \$1.2 Trillion "infrastructure" bill

passed in August, it has aggressively promoted what may be a \$5.5 Trillion "*Budget Reconciliation*" bill that has nothing to do with administering the federal government. It DOES have lots to do with transferring wealth from its political enemies to its political allies and implementing the "*Green New Deal*" of Bernie Sanders. The NCPUSA's penchant for profligate spending and massive debt has already generated an annual inflation rate around 5.4% and has begun to stifle the U.S. economy.

Moreover, under the pretense of "*public health*" measures at federal, state and local levels, the NCPUSA has introduced a great deal of chaos through arbitrary and capricious **COVID-19 restrictions and mandates for vaccinations**. Their purpose is to destroy America's middle-class -- where much of the NCPUSA's political opposition is found -- in order to "*transition*" to socialism and impose control over the American people. In many industries and occupations, arbitrary and capricious vaccination mandates are now a necessary precondition for retaining one's employment or being able to travel.

These COVID-19 restrictions were also used during the 2020 Presidential Election to permit **massive voter fraud** by giving **BLUE** states -- where the vast majority of U.S. voter fraud occurs -- an excuse to mass-mail *Absentee Ballots* to every registered voter, whether living, dead or illegal. These were then used as a device to dramatically increase the number of fraudulent votes for NCPUSA candidates at every level. It was no coincidence that the final results from the stolen 2020 Presidential Election took several very chaotic weeks to finally report.

It would be much too easy to dismiss the endless disasters of the Biden Administration -- and the NCPUSA that controls it -- as a consequence of mere incompetence. Unfortunately, that is NOT the case: their disasters and the chaos they generate are the intentional and purposeful result of every program and policy they have adopted.
