

## LYING: The #2 "*Democrat*" Electoral Strategy

by Earl P. Holt III

There should be little doubt among readers that bald-faced lies are the second most important electoral strategy of the *New Communist Party of the USA* (NCPUSA,) often mistakenly called the "*Democrat*" Party. The NCPUSA's members are never held to account by the Jews' Media, so they feel free to lie with abandon, no matter how patently false or how much their lies may conflict with the public record.

Recently, a rabid nigger on *MS-NBC* named Joy Reid -- who is a living and breathing example of the evils of affirmative-action -- dishonestly claimed that **people in the Pro-Life Movement don't really care about human life**. I'm sure all the professional liars at *MS-NBC* and *CNN* nodded in agreement and applauded like the trained seals they are. Joy Reid's inability to recognize the true motives of those in the *Pro-Life Movement* is probably attributable to the under-evolved *Frontal Lobes* of nigras.

Few people on Earth have more sincere intentions than those who fill the ranks of the *Pro-Life Movement*: They have the singular, altruistic goal of saving innocent, unborn babies carried by women they don't even know. In fact, many devote their lives to the cause and ask little or nothing in return because they feel a Christian "*calling*" to save America and the West from infanticide. Only someone as stupid, dark and evil as Joy Reid could fail to understand this fact.

Likewise, the organized crime figure in the White House -- head of the *Biden Family Crime Syndicate* -- recently declared that the spending initiatives found in his *Build Back Better tax and spending bill will help reduce inflation*. Only pathological liars could make such a statement, including those phony "*economists*" who supposedly agree with him. All of them are more accurately described as *POLITICIANS*, not *economists*.

So-called ***Build Back Better*** is a Bernie Sanders-inspired transfer of wealth from taxpayers to Biden's natural constituencies of shiftless n\*ggers, communists, rabid feminists and "*Stepford Children*." It will add Trillions of additional dollars to the *National Debt* each year, and create endless ***DISINCENTIVES*** for Americans to return to work. Its result will be accelerating "*stagflation*" -- that is, inflation combined with stagnant economic growth -- and Biden's phony "*economists*" know this as surely as I do.

Biden also recently declared that the ***tsunami of two million illegal immigrants entering the U.S. in 2021 was the fault of Donald Trump's immigration policies***. On one of the Jews' Media's superficial, fatuous and simple-minded morning "*news*" programs in April of 2021, Biden told the host that his administration inherited "***one God-awful mess at the border***" when he assumed office.

In truth, President Trump had personally solved the crisis of surging waves of immigrants attempting to enter the U.S. illegally with his "*Remain in Mexico*" policy, and by abandoning the Obama regime's failed "*Catch and Release*" policy that created the problem in the first place. He also began to fund and build his *Border Wall*. The first thing the duplicitous Biden did was rescind *Remain in Mexico* and substitute the failed "*Catch and Release*" policy of the Obama-Biden era. Biden also halted construction of Trump's *Border Wall*. Naturally, his lies received no "*fact-checking*" by the **LYING** commie bastards of the Jews Media.

Another recent side-splitter is the claim by Biden's pathological liar and Jewish Chief of Staff, Ron Klain, that the ***Jews Media have been even tougher on Biden than on Trump*** while each was in office. It seems that even Biden's comrades in the Jews' Media can't find much positive to say about him or his policies, so Klain recognizes this spells disaster for the fortunes of the vile and traitorous NCPUSA. He is alarmed at Biden's plummeting poll numbers resulting from 6.2% inflation, two million

additional illegal aliens, the end of energy independence, his disorderly retreat from Afghanistan, and Biden's extremely unpopular COVID vaccine mandates for both public and private sectors.

**Somehow, I don't recall the Jews' Media colluding with Republicans to fabricate false charges against Biden, as it did with the "*RussiaGate*" accusations from the *Steele Dossier*. A dozen Jewish prevaricators published what each knew was opposition research from Hillary Clinton's campaign, and all the while they were fully aware there was absolutely no evidence to support the phony *Steele Dossier*.**

They also routinely engaged in dishonest "*fact-checking*" of Trump's statements -- such as his claim that HCQ was a "*game-changer*" in the battle against COVID-19 -- although Trump was vindicated in each and every instance. (See E. Holt. "*Fact-Checking Trump*, **CITIZENS INFORMER**, March of 2021.) They have also spiked all stories about the *Biden Family Crime Syndicate's* profiteering from Hunter Biden's shakedowns of numerous foreign governments while his father was Vice President. This exposed the Jews' Media's systemic corruption and dishonesty for all to see and for all time.

During the NCPUSA's primary debates in 2020, Joe Biden vowed to return to the *Iran Deal* -- negotiated during the Obama regime -- **because "*it was working*"** until Trump withdrew U.S. participation. Biden claimed that Iran "*was being held tightly*" to its terms, and that "*There was no movement on the part of the Iranian Government to get close to a nuclear weapon.*" What Obama's *Iran Deal* and Biden's subsequent lies about it really illustrate is that the NCPUSA is perfectly willing to sacrifice U.S. national security interests for a fraudulent foreign policy success of any kind, no matter what its costs.

In truth, like most NCPUSA efforts, the treaty was all celebration and no substance, because it did not include any provisions for monitoring

compliance of its terms: thus, **IRAN NEVER CEASED ITS QUEST TO DEVELOP A NUCLEAR WEAPON**. Equally insidious, Obama restored hundreds-of-billions in Iranian assets frozen by the international banking community, which the Iranian regime then used to fund terrorism throughout the Middle East and to continue funding its nuclear weapons program. In fact, Trump's sanctions against Iran were working, and everyone in Washington knew it except the drooling fool, organized crime figure and pathological liar now wrongly occupying the White House.

Finally, every elected office-holder in the NCPUSA will publicly **deny that there's any real evidence of voter fraud** from the November 3rd, 2020 Presidential Election. Their denials are reinforced by the Jews' Media, which also ignores all evidence from numerous investigations in a number of "swing" states. In truth, the evidence is overwhelming, and President Trump's landslide victory in 2020 exposes the extent of the NCPUSA's use of voter fraud as its primary electoral strategy.

If just the 57,734 fraudulent ballots in Maricopa County, Arizona alone had been properly rejected by election officials and not illegally counted, then based on those adjusted returns President Trump won Arizona by more than 60,000 votes! Similar levels of fraud are being slowly exposed in several other states, as well, including Michigan, Minnesota, Wisconsin, Georgia and Virginia.

**It's clear from these examples that a basic strategy of the Jews' Media is to fabricate a fraudulent narrative that drowns out all other news sources in order to protect its political allies in the NCPUSA. They provide "cover" for the NCPUSA's endless lies and liars, just as surely as the *Blackhawk* Helicopter provides air support for ground combat forces.**
