

## **Faux Injun Hate Crimes**

by Earl P. Holt III

The nigras do **NOT** have a monopoly on concocting fraudulent hate crime allegations, but their leftist allies do: the left invented the entire industry of hate crime hoaxes, and they have a vested political and financial interest in seeing it perpetuated.

In late May of 2021, the world was shocked by the reported discovery of several hundred bodies on the grounds of the *Kamloops Residential Indian School* in Canada, run by the Catholic Church's *Order of Mary Immaculate* from 1893 to 1969. The Jews' Media immediately jumped to the conclusion that sadistic Catholic nuns had murdered or neglected Indian children, and then engaged in a cover-up rivaling the scale of Hunter Biden's laptop.

A young and very "woke" instructor in Anthropology at the *University of Fraser Valley* named Sarah Beaulieu claimed to have used "ground-penetrating radar" to discover a mass grave consisting of 215 bodies on the grounds of the school. She believes her calling in life is to "give voice to...disenfranchised groups," and her "investigation" of this scandal at *Kamloops* fit the bill.

The following day, the disinformation agents at the **NEW YORK TIMES** attempted to pile-on this perceived tragedy and ran the following *Front Page* article: "**Horrible History: Mass Grave of Indigenous Children Reported in Canada.**" (As Rahm Emanuel advised Obama and all other communists, never let a tragedy go unexploited.)  
**To put it charitably, Canada went nuts!**

Canada's insipid Prime Minister -- Justin Trudeau -- agonized over what he called a “***dark and shameful chapter***” in Canadian history and ordered that all *Canadian National Flags* be flown at half-mast. The flag over parliament in Ottawa was lowered for five months. Mr. Trudeau even demanded that the Pope travel to Canada.

*Canada Day* was scrapped in 2021, and a new national holiday was established to honor the victims at Kamloops. Henceforth, Canada will celebrate ***Canada’s National Day for Truth and Reconciliation*** “to honor the lost children and Survivors of residential schools.”

A mob defaced and tore down the statue of Queen Victoria in Winnipeg. Queen Elizabeth II got the same treatment, and ditto for Canada's first Prime Minister, John MacDonald. Dozens of churches were also burned and many were vandalized.

**Like most of the causes promoted by the left and their enablers, the entire story was ONE GIGANTIC FRAUD. Like a voice in the wilderness, it was exposed in an article appearing in the *DORCHESTER REVIEW* titled “*In Kamloops, Not One Body Has Been Found.*” It turns out that all those soil disturbances that Sarah Beaulieu supposedly discovered were tree roots, metal and soil disturbances from other causes.**

It’s a matter of public record that some Indian students who attended Kamloops did in fact die there. There are 51 student deaths recorded from 1915 to 1964, most of whom died from TB or influenza. 24 are buried in reservation cemeteries and four more in the *Kamloops Cemetery*, where some teachers and staff are also buried. 23 are not accounted for, but we know they are not where Sarah Beaulieu claimed they are.

If anyone in the Jews' Media had made the effort, they would have found that many graduates of the ***Kamloops School*** loved their experience

there and are grateful for the education they received. There are many existing testimonials from ***Kamloops*** graduates who have nothing but praise for the school. Moreover, most are bewildered by the way the school has been mischaracterized and defamed.

**Don't hold your breath waiting for a retraction or correction from the communists at the *NEW YORK TIMES*. and other liars. The damage has already been done, and it's unlikely that Canada can put the toothpaste back in the tube.**

As Jared Taylor of ***American Renaissance*** asked, "***Will the New York Times now run an article with the headline: 'Good News: Canadians Not as Bad as We Thought'?***"
