

# Running Out of Metaphors

by Earl P. Holt III

On February 28th of 2022, Hillary Clinton was a guest on Rachel Madcow's *MS-NBC* cable show. **Somehow, the subject of the *Clinton Spy Network* was never even mentioned during Hillary's 30 minute interview with the Madcow.**

Yet, only a week before, Special Counsel John Durham exposed the criminality of the *Clinton Spy Network* in a pleading he filed with the federal courts. It alleged that Hillary Clinton had paid a tech executive to spy on Donald Trump's internet traffic to and from his offices in New York City's *Trump Tower* and the Oval Office after Trump was elected president.

No one reading this could possibly fail to recognize the corruption, bias, dishonesty and treasonous nature of the Jews' Media. For that lesbian Jew and professional liar to ignore the revelations of John Durham's filing in her interview with Hillary is equivalent to the following:

Like interviewing **Jeffery Epstein** and failing to mention underage girls and his "*Lolita Express*";

Like interviewing **Ilhan Omar** (D-Somalia) and neglecting to broach the subject of her marriage to her brother in order to illegally enter the U.S.;

Like interviewing **Bernie Madoff** without mentioning his *Ponzi scheme*;

Like interviewing **John Hinckley** without mentioning his assassination attempt against President Reagan;

Like interviewing **Ted Kennedy** without mentioning the subject of Chappaquiddick;

Like interviewing **Josef Stalin** without mentioning the estimated 25 million innocent civilians he murdered in various purges;

Like interviewing **O.J. Simpson** without mentioning the fate of his wife on the night of June 12, 1994;

Like interviewing **Lee Harvey Oswald** without mentioning JFK;

Like interviewing **Donna Brazile** and failing to mention that she gave Hillary Clinton the 2016 presidential debate questions in advance;

Like allowing **George Staphylococcus** to vent over Peter Schweizer's book **Clinton Cash** -- exposing the illegality of the **Clinton Family Crime Foundation** -- without mentioning that Staphylococcus donated \$75,000 to it;

Like interviewing **Adam Schiff** (D-Moscow) without mentioning the 250 times he lied on cable TV, claiming to have conclusive proof of Donald Trump's *collusion* with Russia to steal the 2020 election;

Like interviewing **Eric Swalwell** (D-Beijing) without mentioning his sexual relationship with the Chinese communist spy Fang Fang, and his tipping her off to the FBI investigation focusing on her espionage activities.

Or, finally, it's like interviewing Hillary Clinton and not asking about the 33,000 e-mails she deleted from her illegal *i-Phone* in 2016, that were under subpoena by the "*Justice*" Department.
