

Ministry of Lies

On April 27, Alejandro Mayorkas -- Biden's immigration commissar and head of the *Department of Homeland Security* (DHS) -- announced the formation of a new "*Disinformation Governance Board*." During his testimony before the House, Mayorkas stated the following: "***We have just established a mis-and-disinformation governance board (DGB) in the Department of Homeland Security...***"

Honest news media organs immediately recognized the striking parallels with *Big Brother's "Ministry of Truth"* from Orwell's classic book, **1984**. The obvious purpose of this new *Disinformation Governance Board* is to intimidate critics of the Biden Administration, overwhelm truthful narratives by the alternative news media, and thereby suppress the truth about the administration's abysmal failings on every conceivable front.

One courageous, outspoken and conservative black Republican congressional candidate in California named Errol Webber made the following poignant observation: "***Adolf Hitler had a Ministry of Truth...Joseph Stalin had a Ministry of Truth along with Mao Zedong. All of them were dictators. The Biden regime now has a Ministry of Truth.***"

The outrageous announcement by Commissar Mayorkas follows the harassment and investigation of parents who spoke up at county school board meetings to voice their opposition to *Critical Race Theory* being taught to their children, who were then treated by the FBI as if they were terrorists. This administration has proved it is capable of anything.

Mayorkas allowed 2,000,000 foreign nationals to illegally enter the U.S. in 2021, and another 220,000 per month thus far in 2022. Moreover, 105,000 Americans died of drug overdoses in 2021, because much of the

illegal drug trade has been successfully transported across our porous southern border.

The senile organized crime figure wrongly occupying the White House and his Immigration Commissar, Mayorkas, are intentionally permitting an invasion of our southern border in violation of Article IV, Section 4 of the U.S. Constitution which states: "***The United States shall guarantee to every State in the Union a Republican Form of Government, and shall protect each of them against Invasion...***" (My emphasis.)

These two are the true terrorists in America, not "*white nationalists*" or "*white supremacists*" or the American people. Biden and Mayorkas intentionally encourage Third World poverty to anchor itself here in the United States. They facilitate unprecedented drug use among pitiable drug addicts of all ages, races and genders. They ignore black violent crime by gangs, and dramatically undermine the rule of law and respect for law. They generate addiction, hopelessness and dystopia across the land.

THEY ARE AMERICA'S TRUE ENEMIES.
