

Whuffo?

Let me get this right: boys can menstruate, men can become pregnant, and gender is a "*false construct*," but conservatives and Republicans are the "*SCIENCE- DENIERS*"???

If *Twitter* isn't biased against conservatives and Republicans, then why did every commie there scream and howl with pain because Elon Musk vowed to return free speech to *Twitter*?

If Joe Biden never discussed Hunter Biden's international extortion and influence-peddling racket with him, where did he think all those millions came from that he received from Hunter and *Rosemont Seneca Partners*?

Why can't the black "*Tribal Chiefs*" in our largest and most dangerous cities recognize the only way to reduce their skyrocketing rates of violent crime is to permit law-abiding citizens to carry concealed weapons, so they can shoot the n*ggers?

Does anyone else realize that if election reforms brought honest elections back to our large, urban areas, black elected officials would disappear faster than cockroaches when the lights go on?

Since Supreme Court Justice Samuel Alito's draft to overturn *Roe v. Wade* was leaked, a motley assemblage of shrill and fevered females immediately congregated in front of the Supreme Court to protest. WHY???

Most of them are so ugly they couldn't get pregnant in a men's prison.

Trump's former Attorney General Bill Barr told the January 6 Commission that Trump's claims that the 2020 election was stolen were "*bull-shit*." How could he have possibly known that, since he didn't lift a finger to investigate those claims?

How in the world can the n*ggers call each other "*brother*" and "*sister*" when most don't even know who their *FATHERS* are?

The only Biden voters from the 2020 election who haven't turned against him were buried in the last century.

What difference does it make that many officials in the Biden Administration attended the very best schools when they are the dumbest and most corrupt sons-of-bitches imaginable?

Former *White House Press Secretary* Jen Psaki has retired from her job as designated liar for Biden and the "*Democrat*" Party, and is now lying for them at *MS-NBC*. If she were ever hooked up to a polygraph, would anyone be surprised if she blew the electrical transformers in a 20 square-block area of New York City?
