

## Other People's Money

America's witless and babbling Vice President has criticized those who oppose *The Big Guy's* plan to forgive up to \$20,000 of student loan balances in time for the mid-term elections. Many student loans are in arrears or still owed by "*scholars*" who chose to study communism, feminism, multi-culturalism, basket-weaving and "*Transgenderism*."

Many of those with large student loan balances had no business attending college in the first place, and Commie Harris is **Exhibit A**. And, being the dolt she is, Harris equates Biden's generosity **with the Trump Administration's 2018 income tax reductions!**

**She is too stupid to recognize that Trump's tax cuts allowed those who actually work for a living to keep more of the INCOME THEY, THEMSELVES GENERATED. In contrast, Biden's proposal to forgive student loan balances is A TRANSFER OF WEALTH from taxpayers to student loan borrowers.**

Like the rest of her political party, she has a Third Grade understanding of public finance, equivalent to that of AOC or Biden, himself. That's why the **U.S. National Debt is \$31 TRILLION. (\$31,000,000,000,000.)** Most "*Democrats*" are too ignorant, stupid and dishonest to recognize this difference, but most honest people get it.

The sole purpose of the ***New Communist Party of the USA*** -- wrongly called "*Democrats*" -- is to transfer wealth from political opponents to supporters, much like Stalin, Mao and Castro did in "***transitioning***" their respective nations.
