

# "Gaslighting"

by Earl P. Holt III

**Merriam-Webster** recently designated the word "**gaslighting**" as its *Word-of-the-Year for 2022*. The term's origin is the 1944 film **Gaslight**, starring Ingrid Bergman and Charles Boyer, in which a scheming and cruel husband (Boyer) contrives to convince his wife (Bergman) that she is going insane. He reassures her that the many recent and strange events that have alarmed her are actually delusions, although he has personally devised each of them.

The verb *gaslight* gained currency in recent years thanks to the efforts of the **New Communist Party of the USA** (NCPUSA) -- mistakenly called "*Democrats*" -- to persuade Americans to ignore our "*lying eyes,*" and accept the fraudulent excuses they conjure up to explain away their endless treachery. In the film, Boyer's motive was to drive his wife to suicide: the NCPUSA's motive is to convince Americans to accept **civilizational suicide** by acquiescing in their efforts to deliver us into the international socialist orbit they've pursued since the Bolshevik Revolution.

Film "Gaslight"

Boyer Tampering with Gaslight

**"RUSSIAN DISINFORMATION" LAPTOP:** When an alcohol-and-cocaine-dissipated Hunter Biden abandoned three laptop computers at a Delaware repair shop, the proprietor copied their contents and then turned them over to the FBI. The FBI then obstructed justice and interfered with elections by withholding their contents for more than two years and through two election cycles. After **THE NEW YORK POST** broke the story that Hunter Biden was engaged in selling Joe Biden's influence to foreign nationals, **the entire Jews' Media and the NCPUSA denounced its reportage as "Russian disinformation."** 51 high-ranking former U.S. intelligence officials even penned a letter to the American people characterizing the contents of those laptops as "*Russian disinformation.*" (An event that explains the routine failings of U.S. intelligence.) We now also know with absolute certainty that the reported contents of the laptops are not only legitimate, they clearly incriminate Joe Biden as a direct participant in Hunter Biden's influence-peddling scheme, one in which Joe Biden demanded half of Hunter's take from the ***Biden Family Crime Syndicate's*** influence-peddling racket.

**GOVERNMENT CENSORSHIP BY PROXY:** For years, every conservative in the nation knew they were being censored by "*social media,*" especially by **Twitter**. What they didn't know was that social media was serving as a **proxy censor** allowing the Biden Administration and its allies to end-run the First Amendment. Many conservatives and Republicans were also "*shadow banned,*" a less direct form of censorship where *tweets* are visible only to their author and remain hidden to followers. Whenever anyone from the NCPUSA wanted a political opponent or critic silenced or *shadow-banned,* social media were happy to oblige. This even included censoring the sitting President of the United States, Donald Trump. **Yet, many times the top officials at Twitter, Facebook and Google perjured themselves before Congress, by denying that partisan censorship took place in their forum.** Were it not for Elon Musk's purchase of **Twitter**, we would never have seen proof of this *mentorship-by-proxy* found in Biden Administration e-mails.

**"PEACEFUL" 2020 RIOTS:** The *Black Liars Murder* and *Antifa riots* of 2020 -- that followed the death of career-criminal, George Floyd -- were made to appear "*spontaneous*," but were carefully pre-planned to take place in large, **BLUE** cities controlled by the NCPUSA. There, political authorities could get away with ordering law enforcement to "*stand down*," even as rioters engaged in arson, murder and aggravated assaults against innocent civilians and law enforcement. It was pre-planned that rioters would receive immunity from arrest or prosecution, so there would never be legal consequences for their violent and criminal acts. **Yet, the Jews' Media and "Democrat" officials repeatedly reminded us of just how "peaceful" those riots were, even as TV reportage showed buildings and police vehicles aflame in the background.**

**"Peaceful" 2020 Riots**

**CRIMINAL JUSTICE "REFORMS":** Arson and aggravated assault were rarely if ever prosecuted following those "*peaceful*" riots of 2020, so violent crime began to immediately and dramatically increase in every **BLUE** city. Leftists in and out of elective office desperately tried to deny

the obvious, but increasing levels of violence were evident every night on TV news. The eventual NCPUSA response was treasonous, but carefully calculated: They de-funded police in many **BLUE** cities; Eliminated cash bail requirements to allow criminals to practice their trade while awaiting trial; *De-criminalized* many traditional property crimes and even some violent crimes; And, granted felons early release from prison. **No elected NCPUSA official could be found to oppose these so-called "reforms" intended to "reduce crime."**

**OUR FUTURE IS "GREEN" ENERGY:** The day he took office, Joe Biden and his energy commissar cancelled construction of all U.S. oil and gas pipelines, and prohibited further oil and gas exploration and "*fracking*" on federal lands. These policies soon created energy shortages and a renewed reliance on imported oil, quickly doubling gasoline prices for all U.S. consumers. These policies had the added effect of increasing electricity rates across the nation, because oil and gas are frequently burned to generate electricity. Meanwhile, areas that rely heavily on "*soft*" or "*green*" energy -- such as *The People's Republic of California* -- have witnessed skyrocketing increases in the prices of gasoline, fuel oil and electricity. **The interloper-in-chief and his energy commissar reflexively dismiss these disasters as mere "temporary" effects from "transitioning" to "green" energy.**

**RACE IS A "FALSE CONSTRUCT":** Race-hustlers deny that innate racial differences exist, but then in the next breath denounce all whites as evil. In fact, whites and blacks of African descent differ so profoundly in physical and psychological attributes, that we'd be considered two separate species were it not for the intrusion of politics into taxonomy. In general, American blacks are nearly synonymous with violent crime, and account for about 90% of all U.S. murders despite being only 13% of the population. Another obvious distinction is that they are 50 times as likely to commit a violent crime against a white person as the reverse, since their population is one-fifth the white population, but they commit

10 times as many black-on-white violent crimes. They are synonymous with property crimes, as well. Moreover, more than 600 empirical studies have demonstrated an average 15 to 20 IQ point disparity favoring whites over blacks. **Yet, we are constantly assailed with the delusional claim that the two races differ only in skin color, and that race is somehow a "false construct."**

**GENDER IS A "FALSE CONSTRUCT":** Doing their part to advance cultural Marxism, the *Ladies' Auxiliary* of Marxism (or "*feminists*") promote the absurdity that men and women are interchangeable. This permits *feminists* to ignore obvious physiological and psychological differences between men and women, most recently manifesting in the laughable notion that boys can menstruate, men can become pregnant and that there are 57 varieties of gender. Literally, *feminists* are at war with their own nature, and both their misogyny and misanthropy are clinical delusions. Ironically, these delusional claims about gender helped to spawn the "*transgender*" movement, which has irreparably damaged women's athletic competitions where "*transgendered*" circus freaks are permitted to compete. ***Feminists* allege that "gender is a false construct," but only hopelessly stupid and delusional ideologues believe it.**

**"SECURE" SOUTHERN BORDER:** By abandoning Trump's "*Remain in Mexico*" policy and ending construction of Trump's border wall, the NCPUSA has opened America's southern border to 5.5 million **illegal aliens** in just its first two years, alone. These illegals come from 150 different nations without any vetting of prior criminal histories, nor vetting of membership in terrorist organizations. ***Homeland Security*** hurriedly disperses many of them throughout the country, where they quickly disappear into barrios. **Yet, we are repeatedly assured that our southern border is "secure"** by ***Homeland Security*** Commissar Alejandro Mayorkas, by our interloper "*president*," and by his equally brainless *White House Press Secretary*, "*Prissy*."

Our "Secure" Southern Border

**INFLATION REDUCTION ACT:** The Biden Administration has spent other people's money like n\*ggers with a stolen credit card. They've spent \$10 TRILLION in only their first two years, generating double-digit inflation levels that have reduced the purchasing power of all Americans. They became desperate for a gimmick to deter criticism for all that inflation, so they enacted an *additional* spending bill titled ***The Inflation Reduction Act of 2021***. Incurring an additional \$400 Billion in spending to "*fight inflation*" is like prescribing a cake-and-pie diet for morbidly-obese patients desperately needing to lose weight. Moreover, most of that spending actually went to friendly "**green**" energy companies, whose owners will return the favor with large campaign contributions down-the-road and just before they go bankrupt like **Solyndra**. **Yet, in a sad example of the economic profession's decline, 126 "economists" were trotted out to endorse the NCPUSA's ludicrous claim that this spending bill will reduce inflation.**

**"NECESSARY" VAX AND MASK MANDATES:** U.S. public health officials led by Anthony Fauci immediately rejected "*herd immunity*" to combat

the COVID-19 scamdemic and instead, promoted untested and experimental vaccines manufactured by his patrons in *Big Pharma*. Fauci and other bureaucrats also rejected such proven and effective anti-viral treatments as HCQ and *Ivermectin* to combat COVID-19, thus allowing **ONE MILLION** Americans to die from the disease. Yet, many U.S. physicians have successfully treated millions of COVID-19 patients with HCQ and *Ivermectin* without incident, while allowing the scamdemic to run its course. States like Florida -- that adopted *herd immunity* as a public health measure -- had far fewer deaths from COVID, and their economies continued to prosper despite the *scamdemic*. Moreover, nations like Sweden -- which also allowed *herd immunity* to run its course through its population -- had far fewer fatalities relative to the size of their populations. Nevertheless, **we were constantly harangued by these "public health" officials and their allies in the Jews' Media that vax and mask mandates were essential tools for ending COVID, even as they carefully withheld the very data that disproved their lies.**

**BIDEN'S COMPETENCE:** The *interloper-in-chief* exposed his weakness and incompetence with his disorderly and shameful retreat from Afghanistan in 2021, which he characterized as an "**extraordinary success**." He has since created a *woke* and impotent military, and a timid foreign policy that invited every bad actor in the world to engage in aggression against vulnerable neighbors. At home, he has eroded the value of the dollar by misspending \$10 TRILLION in only two years. Joe Biden's legacy will be skyrocketing crime, rampant inflation, an economy severely damaged by COVID mandates, a return to dependence on foreign oil imports, systemic voter fraud, a *tsunami* of illegal immigrants, federally-funded "*gender dysphoria*," and weak and often bungled foreign and defense policies. **Yet, we are informed by Prissy -- the White House Press Secretary -- and the Jews' Media on a daily basis about how competent and "involved" Joe Biden and his administration are.**

Originally, the term gaslighting was intended to convey the psychological manipulation of a victim, causing the intended target to doubt their own grasp of reality and their own mental stability. ***Gaslighting is now the ideal term to describe the lies, prevarication, dissembling and disinformation found in every utterance by our corrupt, treasonous and communist federal government, and those of its equally traitorous partners in the Jews' Media.***
