

Jewish Heritage Month

May is *Jewish Heritage Month*, so we at the CofCC have assembled a collection of images of highly influential Jews who have had a profound impact on America and its destiny.

These are in addition to the hundreds upon hundreds of communist Jews who spied for the Soviet Union during World War II, from sensitive positions in the Roosevelt Administration. (See Earl Holt. " 'American' Jews Who Spied for the USSR during World War II." *CITIZENS INFORMER*, December of 2020, page 18.)

Jeffrey Epstein

Blackmailed prominent people by pimping under-age girls as bait.

Bernie Madoff

His Jewish *Ponzi Scheme* destroyed lives of family, friends and investors

Sam Bankman-Fried

Ponzi scheme laundered Ukrainian Foreign Aid to fund "*Democrats*".

Jeffrey Tubin

Took the expression "*get a grip on yourself*," literally

Harvey Weinstein

Sexual predator with *Dorian Gray* look.

Janet Yellin

Gave us double-digit inflation as Fed Chair and as Treasury Sec.

"Rachel" Levine

America's first Four-Star Admiral to wear both women's panties and after-shave.

Julius Rosenberg

Transferred atom bomb secrets to the Soviets during W.W.II.

Jacob Javits

Architect of our immigration disaster.

George Soros

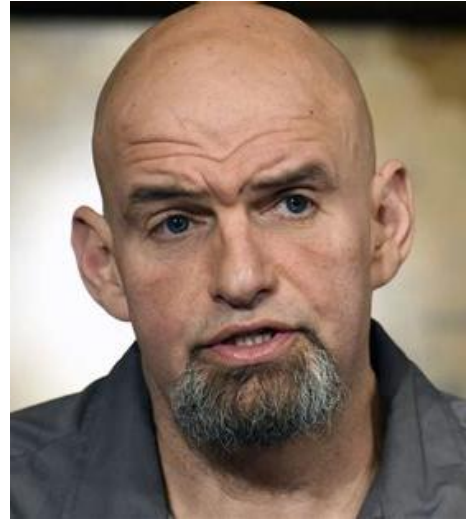

Billionaire who loves money but hates democratic capitalism.

Anthony Blinken

Architect of Biden's catastrophic foreign policies.

John Fetterman

PA's junior U.S. Senator NEVER held a real job in his entire life.

Gov. Tom Wolf

Violated PA State Law by allowing voter fraud.

Jen Psaki

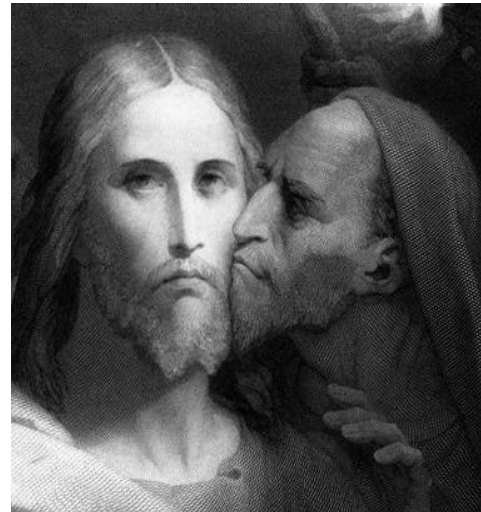

Unable to utter the truth, even if it would save her soul.

Alejandro Mayorkas

"The border is secure"

Judas Iscariot

Sold his soul for 30 pieces of silver.
