

They *NEVER* Let You Down !

On May 16th, when Charles County, Maryland Police Officers were on patrol in Waldorf Maryland, they noticed two *Hyundai* vehicles sitting in front of a business. When they ran the license plates of the two cars, they found that both were stolen.

The cops then arrested the two black, adult occupants of the two vehicles, Washington DC residents Deshaun Deamonte Whitaker (18) and Vincent Lee Alston (21,) and charged both of them with theft and unauthorized use of a motor vehicle. Four black juveniles were also arrested, and charged with the same offenses.

Police reported that when a black female guardian of one of the four juveniles was notified of their arrests, she arrived on the scene with two other females to take custody of the four juvenile miscreants. **Not too surprisingly, she arrived IN ANOTHER STOLEN CAR!**

Driving the third stolen vehicle was a 19 year-old black resident of Washington, DC, named Anthony Matthew Stewart (19,) who was arrested for unauthorized use of a motor vehicle after a brief foot-chase by police. Stewart also had several active arrest warrants outstanding.

Police arrested the two black women who accompanied Stewart in the third vehicle, and three more black juveniles, one of whom also had an active arrest warrant. All of these arrests were made without having to resort to so-called "*racial profiling*"...

They **NEVER** let you down !
