

Don't Let Your Daughters Miscegenate

(White women who marry black men are approximately 13 times more likely to be murdered by their spouses than women who marry white men. The risk is nearly comparable for white women who merely date black males. Source: *AMERICAN JOURNAL OF PUBLIC HEALTH*, May of 1989, page 596, Table #3.)

Mommas, don't let your daughters grow up to date nigras:
Don't let 'em miscegenate 'cause they might end up dead,
Tell them to marry a white man instead.

Mommas, don't let your daughters grow up to date nigras:
Nigs can rarely be faithful and will leave her alone
while he cheats with some other he's known.

Most black males rarely feel love and they're dumber than dirt:
They'll steal a girl's youth in return for nothing but hurt.
When they tire of her bitching or she gets knocked-up
she will soon be discarded like trash;
Or turned out as a whore to practice her craft
then the nig will take all of her cash.

Mommas, don't let your daughters grow up to date nigras:
The lack of wheels or employment don't bother them much
and a job is considered mere "*chump work*" or such.
Mommas, don't let your daughters grow up to date nigras:
They steal guns and cars and have ill-gotten cash
which on **Facebook** they flagrantly flash.

White women rarely know blacks and can't see what's in store:
they're often mistreated and passed around like a whore.
Most nigras are jealous so she'll end up dead
like Desdemona in *Othello*;
She'll get her throat slit and then die all alone
If she flirts with some other fellow.

Mommas, don't let your daughters grow up to date nigras:
Don't let them ruin their lives and then wind up dead,
Tell them to marry a white man instead.
Mommas, don't let your daughters grow up to date nigras:
Nigs will never be faithful and will leave her alone
while he cheats with some other he's known.
