

"Miscarriage of Justice"?

During his ***State of the Union*** (SOTU) address on March 7th, the *Cadaver-in-Chief* was interrupted by a *Gold-Star* father who twice shouted "***Abbey-Gate***" during the SOTU. That man, Steve Nikoui, lost his son when 13 Marines were killed by a suicide bomber at the *Abbey Gate* entrance to the *Kabul Airport* in Afghanistan. Under Biden's Rules of Engagement, that Marine sniper was refused permission to shoot the terrorist and was told to "*stand down.*"

The *Cadaver-in-Chief*, Steve Nikoui, & Lance Cpl. Nikoui

Steve Nikoui was arrested for disrupting Biden's address, and originally faced criminal charges. On ***NewsMax***, Darrell Issa (R-CA-48) declared that to arrest and charge Nikoui was a "***miscarriage of justice.***" ***THIS BEGS THE QUESTION: WHAT HAS ANYONE IN THE MISNAMED "DEMOCRAT" PARTY DONE IN THE PAST THREE YEARS THAT WASN'T A "MISCARRIAGE OF JUSTICE"?***

What do you call it when **51 former intel officers** lie like n*ggers about the authenticity of **Hunter Biden's laptop** computer just before Joe Biden's presidential election in 2020, even though it contained all the

evidence necessary for any honest prosecutor to put the entire ***Biden Family Crime Syndicate*** behind bars forever?

What do you call it when **"Democrat" majorities** in the House **TWICE impeached** Donald Trump on fabricated charges, although every charge was later proved to be fraudulent and based on tampered evidence and withheld evidence?

What do you call it when a communist Jew like **George Soros** funds the campaigns of corrupt and incompetent n*gger DAs in **BLUE** counties, each of whom campaigned on a pledgee to **"GET"** Donald Trump, and then indicted Trump on fabricated and truly **bogus charges** once they were elected to office?

What do you call it when **Nancy Pelosi** (D-Gambino,) **Chuck Schumer** (D-Fagin) and **DC Mayor Muriel Bowser** (D-Haiti) conspired to invite unarmed and peaceful MAGA demonstrators into the Capitol Building, so Biden's crooked **DOJ** and **FBI** could later hunt them down and falsely charge them with engaging in an **"insurrection"**? Many were later convicted of phony charges in a city full of n*ggers, queers, communists, and criminals like Joe Biden. (Some **"jury of their peers"**!)

Pelosi (D-Gambino,) Bowser (D-Haiti,) and Schumer (D-Fagin)

What do you call it when **Attorney General Merrick Garland** ceases to prosecute n*gger **felons illegally possessing firearms**, just because n*ggers are considered sacred cows by the misnamed "*Democrat*" Party, and generate tens of millions of fraudulent "*Democrat*" votes every national election?

N*ggers with Guns

What do you call it when a one-woman crime wave like **Hillary Clinton** is "*exonerated*" of all crimes by a corrupt FBI Director after she destroyed 33,000 e-mails, in addition to her illegal smart-phone and her illegal computer server that had all been subpoenaed by the FBI? These **contained evidence** of her influence peddling (and likely sale of *Classified Documents*) to foreign heads-of-state?

What do you call it when a n*gger federal judge like **Emmett Sullivan** continues the criminal case against General Michael Flynn -- by assuming the role of both **PROSECUTOR AND JUDGE** -- after the DOJ has dropped all the phony charges against Flynn, brought by corrupt Obama holdovers at the FBI and DOJ?

And these examples merely scratch the surface...
