

# Sowing Chaos

by Earl P. Holt III

Every failed policy of the ***New Communist Party of the USA*** (NCPUSA,) mistakenly called "*Democrats*" by those blind to irony, represents far more than mere incompetence. Each is designed to generate confusion and political instability, so the resulting **CHAOS** can usher in an "*American Bolshevik Revolution.*" The NCPUSA believes this will enable it to seize power and forcibly deliver America into the international socialist orbit and "*One-World Government*" scheme that communists have actively pursued for 100 years.

**The Bolsheviks were a small party in pre-Soviet Russia, but the CHAOS that followed the end of World War One and the Russian Revolution of 1917 allowed them to exploit the resulting turmoil and seize power. That's what the NCPUSA is hoping to replicate here in America with a "Second" Bolshevik Revolution. They intend to achieve this through policies that intentionally sow chaos and confusion, which they will greedily exploit.**

Many pro-Hamas and **anti-Israel demonstrators** are currently shutting down American colleges and universities across the nation. Their ostensible purpose is to protest Israel's retaliatory strikes against Hamas following its massacre of 1,200 innocent Israeli civilians in October. Most student demonstrators are dilettante "*revolutionaries*," who are too ignorant and gullible to recognize that the professional communist agitators who fund and organize their activities have deceived them about recent events in the Middle East. Although the Biden Administration desperately seeks to avoid offending these **Birkenstock Bolsheviks** during an election year, most of the NCPUSA welcomes the paralysis they've spawned at these so-called "*institutions of higher learning*" because it adds to the very **CHAOS** the NCPUSA seeks to cultivate. (Credit to Ann Coulter for "**Birkenstock Bolsheviks**.")

**CHAOS** has also been created through the subversion and neglect of U.S. **transportation systems**. In early February of 2024, the public was witness to the massive chemical spill that occurred in East Palestine, Ohio. Despite the NCPUSA having earlier spent \$1.2 Trillion in its fraudulently-named **2022 Infrastructure Bill**, America's railroad tracks were ignored, and remain in abysmal and deteriorating condition, much like our roads and bridges. There are approximately three derailments per day in the U.S., or around a thousand per year. Another factor contributing to this crisis is the fact that Joe Biden cancelled all oil and gas pipelines under construction in the U.S. The additional traffic from transporting oil and gas by rail rather than pipelines -- which don't experience derailing events -- has overburdened America's rail systems and helped contribute to frequent derailings of toxic materials.

The **CHAOS** created by the **immigration tsunami** on our southern border was also intentionally generated by the NCPUSA. Immediately upon taking office in January of 2021, Biden abandoned President Trump's highly effective "**Remain in Mexico**" policy, and then proceeded to welcome 12 million **unvetted and illegal aliens** into America within just

his first three years. Few received background checks -- although many are criminals and terrorists -- but the NCPUSA secretly dispersed them throughout the country so they will be difficult to locate and deport. In fact, the NCPUSA has played "**Welcome Wagon**" to the dregs of the *Third World* by offering them free health care, free cell phones, hotel rooms, and generous "*resettlement*" monies to encourage more of the same. The NCPUSA is now considering granting sanctuary to Hamas and Palestinians from Gaza!

**"We LOVE Biden"**

Likewise, following the death of George Floyd in 2020, the **BLM and Antifa riots** that followed were also designed to generate **CHAOS**. They were carefully pre-planned to take place in large, **BLUE** cities controlled by the NCPUSA. There, political authorities could order police to "**stand down,**" even as rioters engaged in arson, aggravated assaults, and the

occasional murder of innocent civilians and law enforcement. It was also pre-planned that rioters would receive immunity from arrest or prosecution, so none would ever experience **legal consequences** for their violent and criminal misconduct. In Seattle, Philadelphia and New York, many even received tens-of-thousands of dollars apiece in *out-of-court* settlements because police had the audacity to disrupt their attempts at terrorism, arson and insurrection.

Accompanying the NCPUSA's other efforts to generate **CHAOS**, it has busily **savaged the U.S. economy**. By following the advice of a commie-Jew named Saul Alinsky on how to destroy America, the NCPUSA has purposefully generated chaos by attempting to **bankrupt America** with massive spending and its resulting inflation. Within only 1.5 years of its inauguration, the Biden regime had precipitated double-digit inflation, and then continued to spend like n\*ggers with a stolen credit card. Americans have seen the cost of essentials like food, fuel, building materials and *consumer durables* (such as automobiles) rise by 30% or more. By the end of his current term, Biden and his NCPUSA will have added \$10 Trillion to our National Debt in only four years.

**Federal Reserve *Monopoly Money***

In pursuing its **CHAOS** agenda, the NCPUSA's insane and profligate spending has egregiously damaged the household finances of middle-class American families. Its response was to enact the phony ***Inflation Reduction Act*** that compounded the problem by spending an additional \$1.2 Trillion we didn't have, and which the Fed was forced to create out of thin air. Likewise, in 2022 the NCPUSA enacted a \$1.2 Trillion ***"Infrastructure Bill"*** that had nothing to do with repairing bridges or the railroad tracks in East Palestine, Ohio. However, it ***DID*** transfer enormous wealth to its political supporters in the form of subsidies and rebates by enacting the ***"Green New Deal"*** of Bernie Sanders. \$3 Trillion dollars in capital have been removed from U.S. investment streams to create subsidies for electric vehicles, solar panels and windmill manufacturers. Reportedly, Biden Administration officials are heavily invested in ***green*** energy.

NCPUSA **CHAOS** also takes the form of a **war against police**. In many **BLUE** cities controlled by the NCPUSA, the slashing of police budgets were followed immediately by historically high violent crime rates. The war against cops also consists of what is laughingly called ***"justice reform,"*** where many NCPUSA cities have mindlessly eliminated cash bail, granted felons early release from incarceration, and de-criminalized many property crimes. As a consequence, those same municipal police departments have experienced dramatic numbers of **resignations and retirements**. This phenomenon occurred to varying degrees in dozens of major U.S. cities controlled by the NCPUSA, including Portland, Seattle, Minneapolis, New York, Chicago, Atlanta, Los Angeles, Baltimore, Philadelphia and Washington.

Similar **CHAOS** has been intentionally generated by **subverting the U.S. Military**. The NCPUSA has aggressively promoted queers, feminists and *trans-gendered* circus freaks into combat leadership roles. Their rapid promotion is an attempt to weaken our national security and undermine the ***esprit de corps*** of our armed forces, especially our combat forces.

Warriors won't risk their lives to demonstrate the wisdom of DEI, and will not permit themselves to be led into combat by queers, transgenders and women. Thus, recruitment levels have **NEVER** been as low as they are currently, and every branch except the Marines has failed to realize minimum recruitment levels. Much like its attitude toward law enforcement, the NCPUSA recognizes that our armed forces are just another obstacle standing in their way of an *American Bolshevik Revolution*,. Thus, the military must be subverted, as well.

**Biden's Transgendered Military**

The endless **promotion of queers**, perverts, transgenders and circus freaks in civilian life is also a source of **CHAOS**. Its purpose is to sow confusion among gullible, neurotic and cowardly members of the public, using the absurd claim that there is a **continuum of genders**, and that individuals may decide their own gender, irrespective of how they were born. Hence, so-called "*gender transformation surgery*" and "*gender counseling*" in grade schools are growing industries. This charade has metastasized and precipitated so much chaos, even a Supreme Court nominee was unable to define "*woman*" for the **Senate Judiciary Committee** during her *Confirmation Hearings*. However, as every high school Biology student **SHOULD** know, a *woman* is an adult human possessing two "X" Chromosomes in her cell nuclei.

Moreover, under the pretext of "**public health**" **measures** imposed by federal, state and local officials, the NCPUSA introduced enormous **CHAOS** through its arbitrary and capricious COVID-19 **restrictions and vax mandates**. Their ultimate purpose was to destroy America's middle-class entrepreneurs by shuttering their businesses for long periods and bankrupting them. Entrepreneurs are the "*proletariat*" vilified in Marxist Theory, and they represent much of the NCPUSA's political opposition. Thus, in order to "*transition*" our economy and society into socialism and impose control over the American people, the proletariat must first be eradicated. Similarly, in many industries and occupations -- and in all areas dominated by the NCPUSA -- arbitrary and capricious vaccination mandates became a requirement for retaining employment or travel.

COVID-19 restrictions were also used as a pretext during the 2020 presidential election to send mass-mailed ballots to every registered voter, whether living, dead, fictitious, moved, or illegal. This allowed NCPUSA operatives to *harvest* those ballots and then "*vote*" them, acting as proxies for presumably legitimate voters. These generated **CHAOS** in the form of **suspect elections** when they dramatically increased the number of fraudulent votes received by NCPUSA candidates at every level. Nothing undermines confidence in a nation's elections like voter fraud and **dubious elections**. It was no coincidence that the final returns from the stolen 2020 Presidential Election took several very chaotic weeks to finally report. Introducing **mistrust** into our electoral system may have been the most damaging form of chaos the NCPUSA has created so far.

If all this sounds far-fetched, bear in mind the following: the NCPUSA has routinely *weaponized* the DOJ to target its political opposition; it labeled *Traditionalist Catholics* and parents who complain at school board meetings as potential "*domestic terrorists*"; it conspired with social media to censor every Republican or conservative on their platforms; it intentionally created an energy shortage to enrich its supporters in the "green" energy" industry; it welcomed 12 million illegals into the U.S. in only three years; and, it attempted a "*coup*" against a duly-elected president, based on fabricated charges and perjured testimony given to a FISA Court.

It would be far too easy to dismiss the endless **CHAOS** sowed by the Biden Administration -- and the NCPUSA that controls it -- as merely the result of simple incompetence. Unfortunately, that's *NOT* the case: their disasters and the chaos they generate are the **intentional and purposeful result** of every program and policy they've enacted or adopted since Obama took office in 2009 with his vow to "*transition*" America. Biden and the NCPUSA are merely continuing their plan to "*transition*" us into the *Orwellian* world they've planned for us for over 100 years.
