

LYING: "*Democrat*" Electoral Strategy #2

by Earl P. Holt III

By now, most readers should recognize that bald-faced lies are the second most important electoral strategy of the ***New Communist Party of the USA*** (NCPUSA,) often ludicrously referred to as the "*Democrat*" Party. For the NCPUSA, lying is second only to voter fraud in significance. The NCPUSA has been able to get away with their endless lies because they are never held to account by their ideological comrades in the Jews' Media.

For instance, the NCPUSA and the Jews' Media are now alleging that all those videos we've observed of Biden over the last four years -- tripping, falling down, freezing in mid-sentence, shaking hands with ghosts, and having to be escorted off a stage -- are "*cheap fakes*" that consist of "*altered video content*" generated by the GOP and "*right-wing news organizations.*" This is just the most recent example of this parasitic relationship between the two.

Ironically, while its allies in the NCPUSA lie with abandon, the Jews' Media routinely engages in an arrogant and deceitful "*fact-checking*" of Trump. One example involved Trump's complaint during his 2016 primary campaign that his home in ***Trump Tower was "bugged,"*** which generated great scorn and derision from the Jews' Media and other NCPUSA members. Trump was ultimately vindicated by Special Counsel John Durham, who exposed the fact that ***Hillary Clinton's Spy Network*** not only paid a team of computer experts from ***Georgia Tech*** and ***Neustar*** to intercept Trump's e-mails sent from *Trump Tower* in 2016, they also intercepted his e-mail ***WHILE HE WAS PRESIDENT !*** Not surprisingly, Trump has been vindicated in nearly every instance where the lying kikes of the Jews' Media and organized crime figures in the NCPUSA have laughed at his sincere and highly-accurate statements.

Another example was Trump's endorsement of **HCQ and Ivermectin** as treatments for COVID-19, which the Jews' Media ridiculed, but which have since proved to be the safest and most effective treatments for COVID yet found. If that *Mad Scientist* Anthony Fauci had not pressured the FDA to discourage their use, HCQ and *Ivermectin* would have saved hundreds of thousands of American lives. (See Earl Holt. "**Fact-Checking Trump**," *CITIZENS INFORMER*, March of 2021.)

Most Effective, Safest, Least Expensive & Readily Available

The Jews' Media has also conveniently spiked mountainous evidence exposed by the **House Judiciary Committee** and **House Oversight Committee** surrounding the **Biden Family's** sale of influence to foreign nationals. Thus far, these House committees have uncovered \$21 Million in illegal bribe money received by the **Biden Family Crime Syndicate** in return for Hunter's sale of his father's influence to China, Ukraine, Romania, Kazakhstan and Russia while Biden was President and Vice President. Much of the Biden Family's extensive activities amounted to treason -- and not just corruption -- but "**The Big Guy**" has **denied wrongdoing** at every stage of the investigation, without a peep from the Jews' Media. This exposed the Jews' Media's own systemic corruption

for the entire world to see, because Biden's influence-peddling scheme is the **BIGGEST POLITICAL SCANDAL IN AMERICAN HISTORY**.

Just prior to the stolen 2020 presidential election, 51 former U.S. intelligence officials declared that the Hunter Biden laptop was "**Russian disinformation.**" Every one of them knew this was a damned lie because its more incriminating and scandalous contents had already been published by the **NEW YORK POST**, an honest newspaper and not part of the Jews' Media's cabal. The election interference engaged in by these "*intel*" officials was itself, disinformation, and revealed their partisan treachery. It also inadvertently exposed how truly corrupt and malignant our intelligence community has become under NCPUSA stewardship.

Likewise, the *Cadaver-in-Chief* often declared that his administration's profligate spending and unprecedented federal budget deficits will help "**reduce inflation.**" It even trotted out 126 "*Democrat economists*" (**now THERE'S an oxymoron !**) to help enact the **Inflation Reduction Act** of 2022. The latter spent \$1.2 Trillion more dollars we didn't have, which the Federal Reserve was forced to monetize from thin air. (Not surprisingly, Biden's Chairman of the **Council of Economic Advisors**, Jared

Bernstein, earned degrees in Music and Social Work, and knows less about U.S. monetary and fiscal policy than the natives of Bora Bora.) In the wake of 40 percent increases in food and fuel, Biden has recently been encouraged by his handlers to avoid the term "*Bidenomics*" in light of the disasters it has imposed on America, particularly those in the middle-class. Among these are \$10 Trillion added to our National Debt.

"Bidenomics" in a Nutshell

I should no longer have to describe in detail to readers how the Biden Administration has intentionally welcomed 15 million illegal aliens into the U.S. since January of 2021, and then secretly distributed them throughout the Continental U.S. so they will be difficult to deport. Even many "*Democrats*" are now beginning to understand the disaster. However Biden has repeatedly claimed that the current immigration *tsunami* is the result of the "*God-awful mess at the border*" that he supposedly inherited from President Trump. Hence, the pathological

liars in his administration -- such as *immigration* commissar Alejandro Mayorkas and *Prissy*, Biden's house-n*gger and Press Secretary -- consistently describe the border as "**secure.**"

Our "**Secure**" Southern Border

During the NCPUSA's primary debates in 2020, Joe Biden vowed to revive the **Iran Deal** -- negotiated during the Obama regime -- claiming that "**it was working**" until Trump withdrew U.S. participation. Biden claimed that Iran "**was being held tightly**" to its terms, and that "**There was no movement on the part of the Iranian Government to get close to a nuclear weapon.**" What Obama's treasonous *Iran Deal* and Biden's lies to salvage it really illustrate is that the NCPUSA is perfectly willing to

sacrifice both Israel and U.S. national security interests for what they can disingenuously celebrate as a foreign policy "*success*" of some kind, rather than another Biden catastrophe like the retreat from Afghanistan.

In truth, like most NCPUSA efforts, the treaty was all celebration and no substance, because it did not include any meaningful provisions for monitoring compliance, so **IRAN FEVERISHLY CONTINUED ITS QUEST TO DEVELOP A NUCLEAR WEAPON**. Equally insidious, Biden restored hundreds-of-billions in Iranian assets frozen by the international banking community's *Swift System* of currency exchanges, which the Iranian regime then used to fund its nuclear weapons program and subsidize terrorism throughout the Middle East and around the globe. In fact, Trump's sanctions against Iran were working, and everyone in Washington knew it except the drooling fool, organized crime figure and pathological liar now wrongly occupying the Oval Office.

Hamas: Beneficiaries of Iranian Oil Money

Similarly, the ***Antifa and BLM riots*** of 2020 -- that followed the death of career-criminal, George Floyd -- were made to appear "*spontaneous*," but were carefully pre-planned to take place in large, **BLUE** cities controlled by the NCPUSA. There, political authorities could safely order law enforcement to "*stand down*," even as rioters engaged in arson, murder and aggravated assaults against innocent civilians and law enforcement. It was pre-planned that rioters would receive immunity from arrest or prosecution, so there were never any legal consequences for their violent and criminal acts. Many were even rewarded by receiving tens of thousands of dollars apiece from New York, Seattle, and Philadelphia for the humiliation of being arrested while rioting. Yet, the Jews' Media and NCPUSA officials repeatedly reminded us of how "***peaceful***" those riots were, even as TV reportage showed buildings and police vehicles aflame in the background.

"Peaceful" BLM & Antifa Riots

Moreover, every conservative in the nation knew for years they were being censored by "*social media*," especially by **Twitter**, **Facebook** and **Google**. What they didn't know was that social media was serving as a **proxy censor** for the *NCPUSA* allowing its officials to end-run the First Amendment. Many conservatives and Republicans were also "*shadow banned*," a less direct form of censorship where *comments* are visible only to their author and remain hidden to followers. Whenever anyone from the *NCPUSA* wanted a political opponent or critic silenced or *shadow-banned*, social media were happy to oblige. This even included censoring the sitting President of the United States, Donald Trump. Yet, many times the top officials at **Twitter**, **Facebook** and **Google** perjured themselves before Congress by denying that partisan censorship took place on their forum. Were it not for Elon Musk's purchase of **Twitter**, we would never have seen the proof of this *censorship-by-proxy*.

It's clear from these examples that a basic strategy of the Jews' Media is to fabricate fraudulent narratives that drown out all other news sources in order to protect its comrades in the NCPUSA. They provide "cover" for the NCPUSA's endless lies and liars, just as surely as the American Communist Liar's Union (ACLU) has provided cover for communist spies and useful idiots who run afoul of the law.

Some years ago, I was researching the subject of American Jews who spied for the USSR during World War II, while they were gainfully employed by the U.S. federal government during the Roosevelt and Truman Administrations. These 300 or so traitors frequently received coded messages from the Soviet **COMINTERN** instructing them how to carry out their espionage missions. Fortunately, some of those messages were successfully de-coded by the **U.S. Army Signal Corp's** Top Secret "**VENONA**" project for a short period during World War II.

One message from the **COMINTERN** really jumped off the page at me. It demanded that if any Soviet spies were exposed by investigators, the

response among its agents should be to (paraphrase) ***"...attack the investigators from every conceivable angle, and with as many resources as possible."*** This perfectly describes the *feeding frenzies* which the Jews' Media faithfully generate to defend their comrades in the NCPUSA whenever one of the latter are caught engaging in treason or corruption, and must lie to the public about what they've done.
