

Jews' Media "**Fact-Checking**"

by Earl P. Holt III

From the time he was a candidate in 2016, factual statements by President Trump were reflexively attacked or ridiculed by the Jews' Media and their comrades in the **New Communist Party of the USA** (NCPUSA,) fraudulently called "*Democrats*." However, in nearly every instance, Trump was thoroughly vindicated as evidence eventually emerged to prove him correct. This illustrates how corrupt and dishonest the narratives of the Jews' Media and their accomplices in the NCPUSA truly are, and how they work in concert to subvert America.

The Jews' Media and the NCPUSA have repeatedly attempted to portray President Trump as some kind of buffoon or liar by fraudulently "**fact-checking**" his assertions. Since *fact-checking* by the Jews' Media is never more than a thinly-veiled odyssey into "*fake news*" and disinformation, nearly all their efforts have gone awry. They have repeatedly been exposed as the corrupt, dishonest and *fake news* purveyors they are, whose sole purpose is to create false narratives to benefit the political wing of their socialist movement, the NCPUSA. There are **RARELY** any retractions or corrections, and if they do appear it's always somewhere around page 68 and below the fold.

During the recent September 10th debate, Trump raised the issue of **violent crime dramatically increasing under the Biden & Harris regime**, but he was immediately "*corrected*" by that lying ass-hole, David Muir of the **Ashkenazi Broadcasting Corporation** (ABC.) Of course, violent crime **HAS** risen dramatically since Biden & Harris took office, but the FBI's **Uniform Crime Reports** (UCRs) don't indicate that fact. That's because many "*Democrat*" cesspools like Los Angeles, San Francisco, Chicago, New Orleans, and New York no longer report their crime data to the FBI for inclusion in the UCRs -- or else submit incomplete data -- because of the embarrassment of skyrocketing crime rates in those **BLUE** cities.

Trump was also *fact-checked* by Muir for claiming that 30 percent of U.S. cities don't report their crime statistics to the FBI. In fact, that number is 33 percent! (Weihua Li & Jasmine Ricard. "**Why We Should Worry About Missing Crime Data.**" *The Marshall Project*, July of 2023.) Muir probably knows this -- I've known it for several years -- but he is a pathological liar and a pimp for Kommie Harris. Muir is a "journalist" in the same sense that Jeffrey Dahmer was a *gourmet*.

America's TRUE crime rate is more accurately reflected in the **National Crime Victimization Surveys (NCVS)** compiled by the Department of Justice, where a sampling of Americans are **surveyed** about their personal experiences with both property crimes and violent crimes over the past year. The NCVS are historically more accurate than the UCRs, and they reveal a **40 percent increase** in crime ever since Biden & Harris wrongly assumed office in January of 2021.

Examples: the UCR, a Kommie Harris Pimp, and the NCVS

Similarly, when candidate Donald Trump publicly complained in 2016 that his offices in **Trump Tower were bugged**, he was ridiculed by the Jews' Media as "*paranoid*" and laughed at by the NCPUSA's primary candidates. Since then his suspicions have been confirmed in filings by

Special Counsel John Durham: not only was Donald Trump spied on as a candidate, **he was spied on as President, as well**. We now know that Hillary Clinton's campaign paid computer experts to "hack" into Trump's e-mail servers in **Trump Tower** when he was a candidate, and his White House e-mail server after he assumed the presidency. Hillary worked in concert with former Obama CIA, *National Security Agency*, *Justice Department* and FBI personnel, each of whom attempted to frame Trump with the phony charge of "colluding" with Russia to steal the 2016 election.

Another example of Trump's vindication occurred when the COVID-19 pandemic erupted: Trump attempted to counter media hysteria by reassuring the public that COVID-19 was not a death sentence, and that we shouldn't overreact by engaging in the kind of panic that the Jews' Media was orchestrating. He went on to state that **Hydroxychloroquine Sulfate (HCQ)** was a **highly effective treatment** and "game-changer" in combating COVID-19 viral infections. HCQ had the added advantage of having been FDA approved for decades. It also has an excellent safety record, and is very inexpensive since its patent ran out decades ago. Seizing the opportunity to attack Trump, the Jews' Media and *poseurs* of politicized medicine scoffed at him, particularly medical "experts" who dispense politicized medical opinions on leftist cable channels like **CNN** and **MS-NBC**.

Meanwhile, many **PRACTICING** physicians -- who refuse to allow political hacks to dictate their practice of medicine -- successfully cured hundreds of thousands of COVID-19 patients with HCQ without harmful side-effects. Their experiences were confirmed recently following several clinical studies that demonstrated HCQ is highly effective in treating COVID-19, while exposing Trump's critics to be corrupt liars. **In fact, one physician even claims that the politically-inspired ban on HCQ by the FDA and National Institutes of Health (NIH) is responsible for half of all worldwide COVID deaths. That's because hundreds of millions of**

patients were denied this safe, inexpensive, plentiful and highly effective treatment due to politicized medicine at the *World Health Organization* and America's *NIH*.

Another Trump vindication occurred when he repeatedly claimed that the **COVID-19 virus was genetically engineered** in China's *Wuhan Institute of Virology* (WIV.) For this statement, Trump and everyone else making similar allegations were "*de-platformed*" by the cesspool known as "*social media*." Despite much corroborative evidence of this theory's accuracy, anyone making such an argument was immediately banned from social media, including President Trump and even many renowned experts in the fields of Virology and Molecular Genetics.

Powerful evidence supporting the claim that the COVID-19 virus originated at the WIV has accumulated. This includes testimony from Dr. Li-Meng Yan, a Chinese national with both a PhD and an MD, who is the world's foremost authority on the Coronavirus and who first studied it at the *Hong Kong School of Public Health*. She defected to America in 2020 to expose the WIV's role in genetically engineering COVID-19 as a virologic weapon for use by China's military. Despite her uniquely

authoritative knowledge, she was also **censored by social media** -- doing the bidding of the Biden Administration -- just like Donald Trump.

Wuhan Institute of Virology & Courageous Dr. Li-Meng Yan

In another example, Donald Trump made the allegation hundreds of times that Hunter Biden had been jetting around the world in Air Force 2 and **selling his father's influence** to foreign nationals while Joe Biden was Vice President. Among the many nations participating in Hunter Biden's influence-peddling scheme were Ukraine, Kazakhstan, Russia, Romania and China. For saying this, **Trump was vilified** by the NCPUSA and its Jews' Media partners in fake news and disinformation.

Thanks to Hunter Biden being too dissipated to retrieve his own laptop computer from a Delaware computer repair shop, we now know with absolute certainty he was selling his father's influence all across the globe when Joe Biden was Vice President. According to **Secret Service** records, Hunter Biden made 411 flights to 23 nations on *Air Force 2* while his father was Vice President, and his purpose was to shake-down the heads of foreign nations for cash. Hunter Biden's own records in his laptop reveal he split the proceeds from his extortion racket with his father,

(whom he euphemistically referred to as "***the Big Guy***,") and other members of the ***Biden Family Crime Syndicate***. The Jews' Media and corrupt and traitorous Obama-holdovers in the DOJ and FBI had absolutely no interest in this matter until long after the 2020 presidential election was stolen.

Trump was also ridiculed for claiming that he did not participate in any efforts to **steal the 2016 Presidential Election** by engaging in a collusion with Russia or anyone else. Many Obama holdovers have subsequently been exposed to have perjured themselves before the ***Foreign Intelligence Surveillance Act*** Court (FISA,) seeking warrants to spy on President Trump and others in his administration to obtain non-existent "*dirt*." We also know that they traitorously conspired to effectuate a coup against Trump using phony "*evidence*" fabricated by Hillary Clinton's campaign. It took three years for President Trump to be **thoroughly vindicated by the *Mueller Report***, which was reluctantly written by some of the very enemies who treasonously spied on him and lied to obtain fraudulent FISA Warrants to investigate him. Unfortunately, the stolen 2020 National Election has precluded the prosecution of those responsible.

A final example of Trump vindication has been his repeated claim that the 2020 Presidential Election was stolen through **systemic voter fraud** perpetrated at all levels by the NCPUSA. Efforts by the NCPUSA and dubious RINO politicians to obstruct the investigations in many "*swing*" states have hampered these efforts, but the investigations have nevertheless revealed one universal conclusion: **the 2020 "*turnout*" of voters in "*swing states*" vastly exceeded the number of Registered Voters and eligible voters in each.**

For example, it was recently revealed by the retired Wisconsin Supreme Court Justice -- who was chosen by that state's legislature to investigate its 2020 election -- that Wisconsin had approximately **seven million registered voters**, but only four million **ELIGIBLE** residents of voting age.

Vote fraud is pervasive in Wisconsin and other *swing states*, and the vast majority of fraudulent votes occur in mostly black areas like Milwaukee. That's why so many large, urban areas experience election turnout greater than their number of Registered Voters, because they routinely engage in massive and systemic voter fraud to benefit the NCPUSA.

Efforts to undermine President Trump's credibility by swamp creatures, the Jews' Media and the NCPUSA have merely exposed them all to be corrupt and treasonous liars and frauds. Decent Americans have learned to reject their phony "*reportage*" and narratives, especially those made against President Trump and other patriots. Like their spiritual father, the Devil, the minions of the Left are very old liars and have no regard for the truth.
