

# The Triumph of Evil

by Earl P. Holt III

I'd never heard of Nick Fuentes until his interview with Tucker Carlson and the uproar it created. **Although I don't believe Jews should be exempt from criticism, I'm appalled at much of what Fuentes seems to believe in his heart-of-hearts.** On the other hand, I suspect there would be fewer *Jew-haters* like Fuentes if honorable and patriotic Jews showed more guts by denouncing the Bolsheviks among their ranks. David Horowitz should **NOT** have to go it alone.

I often use the expression **"identify as Jews"** because for many, Judaism is now just an ethnic identity rather than a religion. They've abandoned the God of the **Old Testament**, and now worship at the altar of Marx, Lenin and Sol Alinsky. Many don't even support Israel anymore. Meanwhile, others cheered-on Hamas, even after it slaughtered 1,200 innocent Israelis in October of 2023. Karl Marx is a jealous god, so 3,000 years of religious loyalty were tossed aside to make way for Bolshevism.

(Self-Explanatory)

**Here's a clear example of Jewish Bolshevism:** the Roosevelt and Truman Administrations were honeycombed with hundreds of Soviet intelligence agents. In fact, FDR and Truman were the world's second most prolific employers of Soviet spies, surpassed only by Stalin, himself. **THE VAST MAJORITY WERE JEWS.** Soviet NKVD and GRU spy networks were so pervasive, it became necessary for the COMINTERN to draft other CPUSA members from outside the federal government to help "service" the enormous volume of "product" they collected. (For a list of such spies see: Earl P. Holt III. *"American Jews Who Spied for the USSR."* **CONSERVATIVE-HEADLINES.ORG**, April 26, 2020.)

**Here's a more recent example:** President Trump sponsored the *"Abraham Accords,"* he recognized Jerusalem as Israel's Capitol, and took out Iran's nuclear facilities before it could build a weapon to use against Israel. Trump's loyalty inspired Israeli Prime Minister Netanyahu to declare, *"Donald Trump is the greatest friend that Israel has ever had."* In America, Trump's DOJ intervened to protect Jewish students from violence and intimidation on college campuses, and successfully fought discrimination against Jews in college admissions. Yet, only 27 percent of U.S. Jews **voted for Trump in 2024**, preferring Kamala Harris instead, the dumbest presidential candidate in American History. (*Go figure!*)

Likewise, among the founders of the ***National Association for the Advancement of Criminal Perpetrators*** (NAACP) were William Walling, Mary White Ovington, Henry Moscowitz, Julius Rosenthal, William Wald, Rabbi Emil G. Hirsch, and Rabbi Stephen Wise. Likewise, the first three presidents of the NAACP were Joel Spingarn, Arthur Spingarn, and Kivie Kaplan. These were all Jews who managed to accomplish the dubious feat of **organizing, radicalizing and empowering blacks**. Their handiwork is on nightly display in our inner cities – once considered the "gems" of our civilization – but now the epicenters of murder, gangs, illiteracy, illegitimacy, armed robbery, welfare, chemical addictions, car-jackings, voter fraud, venereal disease, and hopelessness. (*Before the NAACP, at least blacks had the sense to pull-up their pants.*)

## BLACK PRIVILEGE

**The ability to break every  
law in the country and still  
remain the victim..**

***JEWISH LIFE*** -- the official organ of Jewish communism -- stated on page eight of its June, 1950 issue: ***"Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights."***

Similarly, decades of aggressive lobbying by numerous Jewish groups produced the ***Immigration and Nationality Act of 1965***. Those lobbyists included The *American Jewish Congress*, *The Jewish Federation*, the *ACLU*, *B'nai B'rith*, and 17 more Jewish groups under the "umbrella" of the *American Immigration and Citizenship Conference*. Their efforts produced the ***"Hart-Celler Act,"*** named for its Jewish Co-Sponsor, Congressman Emanuel Celler (D-NY.) This legislation created the opportunity for Obama and Biden to **open the immigration floodgates** to an invasion by Third World immigrants, 30 million of whom are now illegally ensconced in America. The one lesson Biden's open borders policy has taught us is that ***"diversity is NOT our strength."***

### Jews: *Gung-Ho* for Third World Immigration

Moreover, Jewish oligopoly ownership of the Jews' media is responsible for its current disgraceful condition, one consisting of treacherously **dishonest, biased and filtered "reportage."** The Jews' media is now merely the public relations wing of the misnamed "*Democrat*" Party, and an advocate for every illegal alien, cop killer, pedophile, Islamic terrorist, and black-on-white murderer to come down the turnpike. Its near-stranglehold on America's electronic and printed sources of news has produced an industry so brazenly dishonest and *out-of-touch*, it is indistinguishable from **TASS** or **PRAVDA** during the Soviet era. For more than 60 years, it has routinely sided with our enemies and censored every significant threat against us as a nation, a race and a culture.

Beginning in 2016, **JEWISH** slanderers and their **Jews'** media organs **KNOWINGLY** parroted false and libelous allegations that Donald Trump "*colluded*" with Russia to steal the 2016 presidential election. Those charges have been conclusively proved to be false -- except among cretins and morons -- and the product of opposition research by Hillary Clinton and the DNC. The Jews' media's role was to create the illusion of "*third-*

party confirmation" of Hillary's bogus "*Steele Dossier*," by publishing its lies as if they were "*validations*" or "*corroborations*" from third-party sources. Their lies were then cited by crooked cops at the FBI and DOJ to obtain FISA Warrants to spy continuously on Donald Trump and his advisors, before, during and after the 2016 presidential election.

Jeffery **Goldberg** of *The Atlantic*, Michael **Isikoff** of *Yahoo! News*, David **Corn** of *Mother Jones*, Miriam **Elder** and Mark **Scoofs** of *Buzzfeed*, and David **Ignatius** of the *Washington Post* all collaborated in the dissemination of the phony *Steele Dossier*. Their contacts in the Clinton Campaign who handed them the *Steele Dossier* were: A **State Department** bagman of Hillary Clinton's named Jonathon **Winer**; An equally sleazy Clinton operative and bagman named Sidney **Blumenthal**; And Clinton lawyer Michael **Sussmann** at *Perkins-Coie*. All are Jews and all knowingly participated in a treasonous conspiracy to destroy a duly-elected president, and willingly published Hillary's lies without questioning their sources or their chain-of-custody.

**Jewish Traitors, Crooks, and Scum-Balls**

**Mark Zuckerberg** is an arrogant Jewish traitor who spent \$419 Million of his personal funds to help steal the 2020 presidential election for Joe Biden. He funded a variety of illegal practices among "*Democrat*" operatives and county election officials that perpetrated massive voter fraud in several "*swing*" states. In particular, he funded the placement of **mass-mail ballot depositories** in **BLUE** areas to facilitate the "*Democrat*" practice of "*ballot-harvesting*." Tens-of-millions of mass-mailed ballots were sent to illegals, dead people, fictitious voters, and family pets, and then "*proxy-voted*" for Biden by "*Democrat*" operatives. Also, prior to the 2020 Presidential Election, Zuckerberg illegally colluded with the Biden Administration to censor conservative and Republican commentary on his social media platform, **Facebook**.

Finally, those funding treachery and subversion by the misnamed "*Democrat*" Party are Jewish billionaires like George Soros, Tom Ayres, Mark Zuckerberg and Sam Bankman-Freed, until the latter went to prison. We know from the **Department of Government Efficiency's** (DOGE) audit of USAID that U.S. taxpayers have unwittingly funded "*Democrat*" political campaigns for years, using foreign aid money

laundered through Non-Governmental Agencies (NGO,) and then returned to "*Democrats*" in the form of campaign contributions.

For example, billions in U.S. Humanitarian Aid sent to Ukraine -- after it was invaded by Russia -- were laundered by Ukrainian officials through **Sam Bankman-Fried's FTX Corporation**, and then returned to the DNC for "*Democrat*" office-holders and candidates to use in their elections. Bankman-Fried became the second largest contributor to the "*Democrat*" Party in 2022 by contributing \$40 Million, just behind fellow Jew, **George Soros**.

It was the British statesman, Edmund Burke, who wisely observed that *"The only thing necessary for the triumph of evil is for good men to do nothing..."*

**My point is simply to encourage honorable and patriotic Jews to follow Burke's suggestion and condemn the Bolshevik malignancy that infects so many of their tribe. This might help mitigate some of that anti-Jewish sentiment that has recently come to light so prominently on the fringes of the conservative movement.**
