

"Needing Democrat Governors"

by Earl P. Holt III

Fearing their corruption and treason has finally caught up with them, the "*Democrat*" Party has begun running *cringy* ads on *Instagram* in which several "*Democrat*" Governors ask, "*Who needs a Democrat Governor?*" They then point to the camera and declare, "*YOU DO!*"

Below, are others who desperately need "*Democrat*" Governors:

Somali immigrant fraudsters and their phantom children;

Unemployable rioters with degrees in *Lesbian Dance Theory*;

Illiterate Illegals who demand *Commercial Drivers Licenses*;

Violent *Tren de Aragua* members residing in "*sanctuary*" states;

Morons, deadbeats and Mailbox watchers;

Illegal aliens and their litters;

Trannies who want others to pay for their gender-reversal surgery;

Antifa and other varieties of communists;

Gen-Zers who feel entitled to luxurious, rent-controlled apartments;

Incompetent DEI hires working for state government;

MS-13 members and their criminal defense lawyers;

Lesbians who want the public to pay for their "*Addadicktomes*";

Hopeless cases who fried their brains on Marijuana;

Real estate agents in FL, TX, TN, or any other **Red** state.
